4. Substantive Business & Board Action

- **00:12:30 Resolution 2024-16: Amendment to Personnel Policy Handbook**
 - **Sponsor / Presenter:** Rick Conrad, District Administrator.
 - **Deliberation Summary:** The resolution amends Section 4 of the Sanitary District's handbook to clarify sick leave bank wording, limit sick leave donations to fellow employees to 80 hours per FMLA-qualifying event to prevent indefinite absences and liability, codify that workers' compensation injuries requiring time off qualify as FMLA events, and update ADA language to explicitly state the district provides reasonable accommodations for permanent or temporary disabilities per legal counsel recommendations. Department heads reviewed and supported all changes.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote (**00:16:25**).

5. Open Public Comment / Citizen Forum

- **00:01:00 General Public Comment:** The presiding officer opened the floor for public comment at the beginning of the meeting. No members of the public stepped forward to speak in the auditorium.

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - **District Administrator Updates (00:06:28):** Rick Conrad reported intermittent traffic closures at Charles and Mulberry until the end of the week, Godman closure from Tillotson to Harvey (expected to reopen Friday), and lane restrictions at Hackley and Kirby for manhole work. A meeting was held with the citizens' advisory committee regarding long-term control plan mandates from IDEM for combined sewer overflows over the next 7 to 10 years, with upcoming public hearings planned. The canal downtown was recently cleaned, and the Bureau of water quality received a \$50,000 grant from the Ball Brothers Foundation for its muscle propagation and public education program. Leaf pickup is expected to begin in about a week. Meters have been installed at a north-side manhole overflow near Royerton to monitor issues before undertaking estimated million-dollar repairs. GPS vehicle units have been received and are being installed.
 - **Board Member Updates (00:16:41):** Board members discussed upcoming budget work led by Dena, an engineering price proposal requested from Bowen for 19 ADA ramps along Macedonia following sanitary district work, upcoming leaf pickup, completion and commissioning of the Malla left station, a future trash routing plan to increase collection efficiencies, and a proposal to require a one-month security deposit on new sewer accounts to address \$1.74 million in past-due balances (90+

days) and \$1.17 million in liens. Salary resolutions will be presented at the next meeting.

- **Adjournment:** 00:21:24 The next meeting is scheduled for Wednesday, October 30, at 11:30 a.m. in the City Hall Auditorium. The meeting was adjourned by motion and voice vote.
