 - **Deliberation Summary:** Proposed conducting a Phase One environmental assessment for \$1,750 via Brownfield Company ME on the tax-delinquent (over 5 years, >\$60k owed) former CR3 tire facility adjacent to Exside. Neighboring businesses expressed interest in using the site for a semi-truck staging area. A Phase One assessment is required to determine historical uses and protect the county/end-users from liability before acquisition. Funds will be drawn from the budgeted edit plan brownfield work account (\$30,000 available).
 - **Action & Vote Disposition:** Motion made and seconded to approve the Phase One assessment for \$1,750. Passed Unanimously via roll call vote.
- **00:28:43 Board Action: Award of Street Sweeper and Dump Truck Bids**
 - **Sponsor / Presenter:** Shane Slay, Maintenance Supervisor, Delaware County Highway Department.
 - **Deliberation Summary:**
 - *Street Sweeper:* Lowest bid was Best Equipment (\$196,055). Supervisor Slay recommended awarding to Southeastern Equipment (\$210,100) because it offers three times the water capacity (600 gallons vs. 200 gallons), allowing for longer operating times and better range for county additions. County

attorney noted this meets the standard for a responsive and responsible bidder with rational justification.

- **Dump Trucks:** Lowest bid was Stoop Freightliner (\$142,191/truck). Supervisor Slay recommended rejecting the lowest bid due to poor driver visibility (hood design blocking plow visibility, risking mailboxes/objects), undesirable suspension for long-term use (15-20 years), and lack of driver familiarity. Recommended General Truck Sales (Volvo tandem axle dump trucks) with the WA Jones body at \$150,688 per truck (Total: \$753,440), citing better aerodynamic hoods, superior turning radius/suspension, and existing parts/familiarity in inventory.
- **Action & Vote Disposition:**
 - Street Sweeper: Motion made and seconded to accept the Southeastern Equipment bid for \$210,100. Passed Unanimously via roll call vote.
 - Dump Trucks: Motion made and seconded to accept the General Truck Sales bid for \$156,88 per unit (noted in transcript motion as GMC/Volvo general truck sales package totaling \$753,440). Passed Unanimously via roll call vote.
