4. Substantive Business & Board Action

- 00:03:01 **Sidewalk Project Update & Right-of-Way / Easement Acquisitions**
 - **Sponsor / Presenter:** Roger (Project Representative)
 - **Deliberation Summary:** Roger provided an update on the sidewalk project spanning approximately six miles, noting that the project is currently in the land acquisition phase across 13 parcels, utilizing easements rather than rights-of-way. The goal is to bid the project in April.
 - **Specific Parcel Actions:**
 - Parcel 1 (Poe property): Approved first claim form for appraised value of \$3,250.
 - Parcel 2 (Faulkner property on Morrison Road): Owners contested the initial appraisal. Two appraisals valued the parcel between \$3,750 and \$11,951 (average approximately \$7,850). The Faulkners requested \$7,278.38. Roger recommended granting this amount. Additionally, Roger requested leeway/authority from the board to execute purchases and issue checks independently as long as negotiated purchase prices fall between the two appraisals, avoiding 30-day meeting delays.
 - Parcel 3 (Kidin property south of Little National Bank on Morse Road): Discussed planned negotiations using the lower appraisal value based on historical 2011 right-of-way metrics.
 - **Action & Vote Disposition:** Approved by Voice Vote to grant the Faulkner parcel request (\$7,278.38) and to authorize project management flexibility to settle acquisitions within dual appraisal ranges.
- 00:10:47 **Company Data Update & Report: CDO GB Danner**
 - **Sponsor / Presenter:** Gary Danner, Founder of CDO GB Danner
 - **Deliberation Summary:** Gary Danner presented a multi-year progress report regarding the development of their mobile power station, addressing battery suppliers, past delays, engineering reconfigurations, and company expenditures. He reported 11 employees in 2016 with gross earnings of \$500,000 (averaging \$43.15/hour). Commissioners questioned him regarding discrepancies between initial job creation promises (e.g., 20 initial jobs scaling up significantly) and current

local headcounts. Danner defended the company's cautious timeline, citing technical hurdles with three successive battery suppliers and emphasizing that investments have directly benefited Muncie suppliers and payroll.

- **Action & Vote Disposition:** Information presented; no formal board vote taken (report accepted into record).
- **00:11:00 TIF Financial Advisory Annual Report**
 - **Sponsor / Presenter:** Matt Ecker, Financial Advisor (Umbaugh)
 - **Deliberation Summary:** Matt Ecker presented the annual comprehensive financial report summarizing activity, outstanding obligations, estimated revenues, and cash balances across all Delaware County TIF (Tax Increment Financing) allocation areas (including Morrison Road, Nebo Road, Park One/Savita, Vertex, Brevini, I-69, Magna, Industrial Center, Daleville, Biovision Ag Park, Bell Perl, Midwest Metal, and PRD). Ecker highlighted shortfalls in certain areas, upcoming state filing deadlines on April 15 via DLGF Gateway, and considerations regarding property tax backups and special benefit tax levies.
 - **Action & Vote Disposition:** Received and placed on file.
- **01:53:00 Approval of Invoices and Bond Authorization**
 - **Sponsor / Presenter:** Brad (County Staff / Attorney)
 - **Deliberation Summary:** Review of general administrative invoices and loan payments. Brad also raised a requirement for board members to execute personal bond documentation (\$15,000 bonding per member) and requested authorization to coordinate with the county insurance agent.
 - **Action & Vote Disposition:** Motion made and seconded to pay all invoices and loan payments, and to authorize bonding arrangements. Approved by Voice Vote **01:53:13**.

5. Open Public Comment / Citizen Forum

- **01:54:48 Ron Quick (County Council Member / Resident):** Commended the board for its makeup of elected officials and lay members, and praised the financial reporting. He expressed concern regarding the sidewalk project's land acquisition negotiations, warning that paying higher amounts to later landowners sets a precedent that undermines prior fair agreements. He also offered cautionary remarks regarding economic development startup risks and tax rate implications.

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:** Reminder of upcoming state TIF reporting deadlines (April 15) and debt reporting deadlines (March 1).
