Delaware County Administration Meeting Report

Meeting Date: March 20, 2017

Presiding Officer: Not explicitly stated by name in the opening (roll call includes Mr. Henry, Mr. Reagan, and Mr. King)

1. Pre-Meeting Hearings & Committee Work Sessions

- **Session Type & Topic:** Public Hearing on the assignment of Eaton properties to a non-profit entity [00:01:41](#).
- **Summary of Discussion:** Representatives from the Central Indiana Regional Planning District and county legal counsel discussed the procedure for assigning seven tax sale certificates for properties in Eaton (including 500 East Washington, 301 block of North Meridian, and 600 block of East Washington) to a non-profit entity. An interested party plans to combine three businesses, put the properties back on the tax rolls, and answer an RFP. Legal counsel explained the statutory process: properties undergo unpurchased tax sales, certificates are assigned to a local governmental entity or transferred to a tax-exempt/not-for-profit entity following a public hearing, and the non-profit must then give proper notice, wait the 120-day redemption period, and request a tax title deed from the auditor. With no public opposition, a motion was made and seconded to close the public hearing [00:04:18](#).
