- **00:00:55 Partial Pay Request No. 1: Unite Construction**
  - **Sponsor / Presenter:** Staff / Inspector Brad
  - **Deliberation Summary:** Staff presented partial pay request number one from contractor Unite Construction for total work to date amounting to \$217,691.57, with a 5% retainage of \$10,884.58, leaving a net payment of \$206,806.99. Staff reviewed project accounting details, explaining costs for construction engineering (contractor-provided layout surveyors), mobilization/demobilization (performance and payment bonds, structured at 75% upfront and 25% upon demobilization), and new stormwater management/quality line items (budgeted at \$45,000 for standard erosion control measures and a certified erosion control specialist to manage living erosion control plans and rainfall event reporting). Staff noted that current site progress includes utility coordination, fire hydrant relocation, and compacting stone base for sidewalks in preparation for paving, and confirmed the project remains on schedule.
  - **Item-Specific Public Input:** None.
  - **Action & Vote Disposition:** Accepted / Approved by Voice Vote.
- **00:06:55 Annual Mowing and Landscaping Agreements: J. Crew Landscaping**
  - **Sponsor / Presenter:** Staff / Brad (with Dave Garrison present from J. Crew)
  - **Deliberation Summary:** Staff presented annual mowing and maintenance agreements with J. Crew Landscaping, noting that certain previously bid locations were removed or reassigned (e.g., lot behind American Health Networks being mowed by the county, and a ditch on Fusing Road handled by the Delaware County surveyor's office). Prices for three remaining locations were reviewed:
    1. *Park Rail Spur:* \$7,257.00 (includes chemical weed spraying in rocks; increased from \$7,082.00).
    2. *Morrison Bethel Corner:* \$3,842.00 (decreased from \$4,270.00 due to land sell-off and removal of the fertilization component).
    3. *Fusing Road Shell Building:* \$13,500.00 (increased from \$11,277.00 due to extensive landscaping, trimming, pruning, and mulching requirements). Staff praised J. Crew's high responsiveness and reliability.

- **Item-Specific Public Input:** None.
  - **Action & Vote Disposition:** Motion to approve all three agreements carried by voice vote (00:10:18).
  - **00:10:25 Alley Vacation & Survey Work (Daleville Property / Brooks)**
    - **Sponsor / Presenter:** Staff / Brad
    - **Deliberation Summary:** Staff discussed an alley located between two parcels purchased by the Commission (dividing the former Lee's Amoco property from the demolished old bike shop next door) that requires vacation through the Town of Daleville. The process requires a certified survey, a formal petition submitted to the Town Board, public notices sent to surrounding property owners, and a published town ordinance, taking approximately a couple of months. The redevelopment commission will cover the survey and process costs. Contractors are currently waiting on favorable weather to smooth dirt and seed the demolished corner lot.
    - **Item-Specific Public Input:** None.
