5. Open Public Comment / Citizen Forum

- **00:16:36 Jason Senteney** (2218 Divine Road / Divine Sound)

- **Topics:** Expressed concerns regarding the Delaware County Jail proposal to move services out to Wilson Road. Requested that commissioners hold public input sessions similar to those held for the Mounds Lake Reservoir and CAFO proposals. Also emphasized the need for robust long-term rehabilitation programs within the jail plan to address underlying drug addiction issues.
 - **Board Response:** Commissioners noted that rehabilitation space and programs (such as JCAP models used in Dearborn County) are being incorporated into the new jail design. They highlighted past and ongoing financial support for local addiction resources (e.g., \$30,000 to Big-Time/Rihanna's Hope, partnerships with Muncie Mission) and explained that current overcrowding prevents proper classification and programming in the existing jail.
 - **[00:13:41 / 00:23:41] Steven Shreiner** (6424 East County Road 350 North, Muncie)
 - **Topics:** Addressed county regulations on private sewage disposal. Requested that the board amend or rewrite the ordinance so the County Health Department cannot deny construction and operating permits for septic systems on tracks larger than 10 acres merely because a municipal sewer line exists nearby or is planned, citing a state General Assembly law protecting property owners from mandatory sewer hookups under certain conditions.
 - **Board Response:** Commissioners acknowledged the comment, stated they would research the matter, and agreed to follow up with Mr. Shreiner.
-
