4. Substantive Business & Board Action

- **00:01:02 Juvenile Court Security Equipment Upgrades & Staffing**
 - **Sponsor / Presenter:** Judge Kim Dowling (Circuit Court 2).
 - **Deliberation Summary:** Judge Dowling presented urgent security recommendations following a recent security audit by the sheriff's office and a dangerous physical incident in the courtroom involving a juvenile. Key updates include removing food/drink waiting room machines, adding fobs/locks to back hallways, and installing security signage. The two most critical needs are servicing or replacing the failing metal detector (approx. \$5,000 for a new unit) and purchasing an x-ray machine for bags and backpacks (\$18,000<U+2013>\$22,000). Additionally, the Youth Opportunity Center (YOC) committed to funding a credentialed security staff position to operate the equipment and assist deputies for the next year, after which the Sheriff's Office will seek to absorb the position into its budget.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved to proceed with purchasing/servicing the metal detector and x-ray machine by Voice Vote.
- **00:05:50 Association of Indiana Counties (AIC) <U+2013> Tax Refund Exchange and Compliance System (TRECS)**
 - **Sponsor / Presenter:** David Bottorff, Executive Director of the Association of Indiana Counties (accompanied by County Treasurer Mr. Carroll).
 - **Deliberation Summary:** Bottorff presented the state-authorized TRECS program, a voluntary clearinghouse system established via the General Assembly in 2017. The program allows local public agencies (counties, cities, towns, school corporations, libraries) to intercept state income tax refunds, lottery winnings (over \$600), and other public payments to satisfy unpaid local debts (such as property taxes, mobile home back-taxes, and community corrections/probation fees). The system utilizes secure, encrypted data sharing with the Department of Revenue (DOR) via the AIC Clearinghouse. Taxpayers receive a 30-day notice to pay or dispute the debt before funds are formally captured (minus a 15% DOR administrative fee and a \$20 AIC clearinghouse fee). County officials noted support from probation and community corrections departments.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved entering into the Memorandum of Understanding (MOU) / contract with the AIC Clearinghouse by Voice Vote.
- **00:23:12 Bid Award & Construction Agreement: County Building Washington Street Parking Improvements**
 - **Sponsor / Presenter:** County Commissioners / Project Staff (referencing recommendations from a prior meeting and discussions with Charlie Walker).

Staff recommended awarding the project to Craig Mar Construction, including "Alternate A" (which removes items 7 and 8 to adjust the scope). A corresponding boilerplate agreement with Pride Mark Construction for a not-to-exceed amount of \$54,275 was presented for approval.
- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:**
