- **Sponsor / Presenter:** Staff / Brad; Paul Jenkins representing Jones Brothers Trucking.
- **Deliberation Summary:** Staff introduced the standard economic development agreement. The company committed to an approximate capital investment of \$1.5 million to build an East Coast terminal on purchased property in Delaware County. Under the agreement, a 10% pledge totaling \$150,000 will be distributed to the company only *after* they complete construction of their promised investment. Paul Jenkins spoke on behalf of the company, noting they are based in Montana, plan to break ground next month (weather permitting), and target an early December completion date to bring high-paying jobs to the industrial center.
- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Motioned, seconded, and passed unanimously via roll call vote ([00:02:56](#)).

Daleville Two-Acre Purchase Agreement Approval

- **Item Identifier & Title:** [00:03:12](#) Daleville Two-Acre Purchase Agreement Approval
- **Sponsor / Presenter:** Staff / Brad.
- **Deliberation Summary:** Staff provided an update regarding the two-acre purchase agreement west of the Westco building (negotiated following board approval at the previous meeting). Legal counsel Joe Ratz provided revisions, which the buyer verbally approved. Staff is currently awaiting the return of the signed addendum, which may be brought back for final consideration at the next meeting.
- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Information only; no formal vote taken.

Daleville Six-Acre Request for Bids (RFP)

- **Item Identifier & Title:** [00:03:55](#) Daleville Six-Acre Request for Bids
- **Sponsor / Presenter:** Staff / Brad (with reference to Tracy Lutton).

- **Deliberation Summary:** Out of just over eight acres total west of the Westco building, carving out the aforementioned two acres leaves six acres remaining. Staff was contacted regarding an out-of-state engineering company working with a client that builds small warehouses for food goods distribution. Because the prospective buyer does not own adjacent property, legal counsel advised that the DCRC must issue a Request for Proposals (RFP). Staff requested approval to issue the RFP so proposals can be opened at next month's meeting.
- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Motioned, seconded, and approved via roll call vote (00:05:18).

Mundell Environmental Sampling Change Order

- **Item Identifier & Title:** 00:05:39 Mundell Environmental Sampling Change Order
- **Sponsor / Presenter:** Staff / Brad.
- **Deliberation Summary:** Staff reported on ongoing environmental sampling by Mundell, covering approximately 300 properties around the industrial center (specifically Hoyt Avenue, 23rd Street, and the Breezwood edition). While outreach has been slow due to difficulties in contacting and explaining the process to residents, feedback from participating homeowners has been positive. Mundell requested a change order (\$39,814) to conduct a third round of private well sampling in areas where elevated lead levels were found (though below strict thresholds), to verify conditions. Board members discussed historical industrial contamination (referencing Delco Battery and historic tool-and-die shops) and the importance of environmental due diligence for incoming investments like Inox Can Pack.
- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Motioned, seconded, and approved via roll call vote (00:11:38).

- **Sponsor / Presenter:** Staff / Brad.
- **Deliberation Summary:** Two property maintenance agreements with no price increases were presented: one for Morris and Bethel Corner, and another for landscaping at the Fusion Road shell building. Eugene Whitehead noted that the shell building is expected to close by the end of the month. Staff explained that the agreement includes a 30-day termination clause, allowing them to immediately give notice upon closing so the contract terminates before services renew.
- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Motioned, seconded, and approved via roll call vote (00:12:44).
