- [00:08:10](#) **Thomas Richards** (Resident of Grant County, representing farmland affiliated with the Meadow Forge Project in Washington Township):
 - Inquired about progress on the Meadow Forge solar/energy project and whether the county had received energy money (commissioners confirmed no funds received).

 - [00:11:31](#) **Harold King** (Citizen):
 - Spoke regarding discussions with Marta Moody concerning the committee being formed to address the project ordinance.
 - Noted difficulty in finding genuinely “neutral” committee members (suggesting a balance of 3 supporting, 3 neutral, and 3 opposed is hard to source for neutrality).
 - Voiced broader concerns about removing tillable farmland from production in comparison to international policies (such as China’s five-year plans protecting tillable acreage).
