- **00:01:04 Ordinance Number 2022-007: Amendment to Contractor Registration Code**
 - **Sponsor / Presenter:** Martin Rudy, Executive Director of the Plan Commission Office (which includes the Building Commissioner's office).
 - **Deliberation Summary:** The presenter explained that this ordinance, alongside Ordinance 2022-008, makes minor tweaks to the existing county code. Specifically, the contractor registration section was previously limited to residential contractors. Given recent increases in commercial and industrial activity, the code is being amended to reflect actual practice. The bond requirement for commercial work is raised from \$5,000 (deemed insufficient for commercial projects) to \$20,000. Additionally, insurance requirements are clarified to mandate a minimum \$1,000,000 policy, which aligns with existing registrations currently on file.
 - **Item-Specific Public Input:** None recorded.
 - **Action & Vote Disposition:** Introduced for first reading. Approved by Roll Call Vote (Mr. Henry: Yes, Mr. King: Yes, Mr. Reagan: Yes).
- **00:03:19 Ordinance Number 2022-008: Amendment to Permit Section of County Code**
 - **Sponsor / Presenter:** Martin Rudy, Executive Director of the Plan Commission Office.
 - **Deliberation Summary:** This ordinance cleans up minor language within the permit section of the county code and formally inserts a provision for temporary construction offices, which was previously missing.

 - **Action & Vote Disposition:** Introduced for first reading. Approved by Roll Call Vote (Mr. King: Yes, Mr. Henry: Yes, Mr. Reagan: Yes).

Because outstanding questions remain, staff requested a 60-day extension on the RFP deadline for both construction and looking/associated services.
