Meeting Summary: Delaware County Justice Center Rehabilitation & Addiction Programs Announcement

2. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** 00:00:06 Opening remarks were delivered to announce a special community presentation regarding new rehabilitation and mental health programs at the Delaware County Justice Center, spanning the county and the city of Muncie, Indiana.
- **Attendance:**
 - **Present / Key Speakers:** Dr. Whitney (retired pulmonary critical care physician and volunteer advocate), Kimber (Executive Director of "The Hub" in Jay County), Travis Jester (Local lead for peer recovery), Mayor Ridenour (City of Muncie), and Tony Skinner (Delaware County Sheriff).
 - **Absent:** None explicitly noted.
 - **Presiding Officer:** Dr. Whitney and local officials led the informational session.

4. Substantive Business & Board Action

00:00:16 Program Announcement: Integration and Recovery in Correctional Systems (IRACS) & Delaware County Hub

- **Sponsor / Presenter:** Dr. Whitney, joined by Kimber and Sheriff Tony Skinner.
- **Deliberation Summary:**
 - Dr. Whitney announced a fully sustainable grant-funded program totaling nearly \$500,000 designed to address substance use disorder (SUD) and mental health within Delaware County.
 - Out of the total funding, \$72,000 will be allocated directly to Sheriff Tony Skinner to update necessary equipment and support incoming peer recovery personnel at the jail. The remaining balance (approximately \$400,000) will fund re-entry support over the coming year.
 - **Jail Assessment & Track Assignment:** Every individual currently in the Delaware County jail, as well as all incoming detainees, will be immediately assessed for mental health and addiction issues and assigned to a specific recovery track (regardless of whether they eventually transfer to the Department of Correction [DOC] or are released).
 - **Community Re-entry & Support:** Individuals re-entering the community will be assigned a peer recovery coach, a navigator, and a social worker. The program will help secure identification (driver's license, state ID, social card), insurance, treatment, and employment.
 - **The Hub:** A dedicated Delaware County anchor hub will be established, mirroring the model in Jay County, led locally by Travis Jester and supported by local healthcare providers including Meridian Health and IU Health. Weekly case management will involve peers, behavioral therapists, probation officers, and judges.
- **Item-Specific Public Input:** None (informational announcement format).
- **Action & Vote Disposition:** Informational presentation; no formal board vote or ordinance enactment was required at this session. Implementation is targeted for launch between June and July.

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - Upcoming steps include forming local committees in the next month, followed by large community and stakeholder meetings involving law enforcement, attorneys, judges, and residents.
 - Program operations and peer training are currently underway with an expected launch timeline between June and July.
 - **Adjournment:** The meeting concluded following closing remarks by Dr. Whitney thanking community leaders, healthcare providers, and local officials for their attendance and collaboration.
