- **00:01:38 Presentation: Country Village and Creekwood Playground & Road Improvements**
 - **Sponsor / Presenter:** Mitch Isaacs (8501 North Yellowstone Drive), representing Country Village and Creekwood.
 - **Deliberation Summary:** Mr. Isaacs thanked the commissioners for a previous \$40,000 contribution toward a playground fundraiser made earlier in the year. The neighborhood successfully raised nearly \$120,000 total, leveraging local foundation funds and a matching grant from the State of Indiana (via Patronicity/Lieutenant Governor's office). The project involves removing an unsafe tennis court and installing a new playground this fall. He also thanked the board for recent road paving work completed on six roads in Country Village and expressed appreciation for highway department head Tommy.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Presentation only; no board action required.
- **00:04:44 Delaware County Fire Chiefs Association: CrewForce CAD Software Request**
 - **Sponsor / Presenter:** Chief Randy Reed (Liberty Township Volunteer Fire Department / President of Delaware County Fire Chiefs Association) and Chief Caleb Paulson (Albany Fire Department / Secretary-Treasurer).
 - **Deliberation Summary:** The chiefs presented on behalf of the association representing 9 volunteer fire departments and the Muncie Fire Department requesting financial assistance to acquire the "CrewForce" mobile computer-aided dispatch (CAD) software. Following the transition to the new New World CAD system on June 14, CrewForce would provide frontline units with accurate addresses, mapping, hydrant locations, and historical call notes directly on tablets/iPads in trucks. The total request for 45 licenses (5 per department across the 9 county departments) is \$22,871 (covering setup, prorated maintenance, and licenses). The City of Muncie covered its own setup fees (\$2,800). The volunteer departments signed an agreement accepting responsibility for future annual

maintenance fees (\$100 per license per year) and hardware/mounting equipment costs.

- **Item-Specific Public Input:** None.
- **Action & Vote Disposition:** Approved to be funded out of ARP infrastructure funding, pending review by legal counsel John and completion of paperwork. *(Passed via roll call vote: Mr. Henry - Yes, Mr. King - Yes, Ms. Reagan - Yes).*
- **00:11:54 Interlocal Agreement with Ivy Tech for Low-Level Offender Job Transition Program**
 - **Sponsor / Presenter:** County legal counsel / presented on behalf of probation and court systems.
 - **Deliberation Summary:** An interlocal agreement drafted at the request of the court system, probation department, and Ivy Tech. The program partners with manufacturers in the industrial zone to create a dedicated coordinator position (housed through Ivy Tech and supported by a grant and redevelopment commission funds) to transition low-level offenders and individuals on probation into industrial jobs and related education, helping them exit the criminal justice cycle. Judges have already signed off on the agreement.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved. *(Passed via roll call vote: Mr. King - Yes, Mr. Henry - Yes, Ms. Reagan - Yes).*
- **00:13:57 Utility Right of First Refusal Agreement: 9-1-1 Center / Muncie Public Library**
 - **Sponsor / Presenter:** John (County Legal Counsel)
 - **Deliberation Summary:** The 9-1-1 center property was purchased from the Muncie Public Library several years ago, and the initial contract expired earlier this year. Because the facility shares a single water and sewer meter, the agreement formalizes a continued 60/40 utility split between the 9-1-1 center and the library. Additionally, the agreement grants the library board a right of first refusal to repurchase the property back for its original purchase price (\$100,000) in the event the county ceases using it as a 9-1-1 center. The library will prepare and sign the deed for county recording.
 - **Item-Specific Public Input:** None.
