Delaware County Redevelopment Commission Meeting Report

Meeting Date: September 8, 2022

Start Time: 9:00 AM

1. Meeting Identification & Attendance

- **Call to Order & Spoken Details:** The meeting of the Delaware County Redevelopment Commission was called to order by the presiding officer at 9:00 AM on September 8, 2022.
- **Attendance:**
 - *Present:* Commission members, including Commissioner King. (Note: Specific roll-call attendance of all individual board members was not explicitly detailed by name in the opening transcript).
 - *Absent:* Not explicitly stated.
 - *Presiding Officer:* Unnamed chair/president.

2. Preliminary & Procedural Business

- **Ceremonial Openings:** The meeting opened with the recitation of the Pledge of Allegiance.
- **Approval of Minutes:**

- *Item:* Approval of the meeting minutes from August 11, 2022 00:04:48.
 - *Action & Vote Disposition:* Approved by Voice Vote.
-

3. Substantive Business & Board Action

- **00:00:58 Shell Building Location and RFP Update**
 - *Sponsor / Presenter:* Commission staff/leadership.
 - *Deliberation Summary:* Staff provided an update that there are minor challenges in getting the property under contract because the land was purchased by a mini-warehouse company. Contact has been made with the company, which expressed a willingness to sell if an alternative location for their project can be found. Staff and the company are actively searching for alternative sites. More details will be presented at the next meeting.
 - *Action & Vote Disposition:* Information only; no formal board action taken.
- **00:01:41 Daleville School Paving Request**
 - *Sponsor / Presenter:* Daleville Superintendent Greg Roach / Commission staff.
 - *Deliberation Summary:* The school district requested financial assistance from the county redevelopment commission to help pave a lane behind their bus barn. The project aims to alleviate severe traffic congestion and safety hazards caused by parent drop-off lines backing up onto the main roadway (Route 67) during school start and end times. The total quoted cost for the work is \$135,589.28. The school district possesses some funds to contribute, though the exact matching amount is currently undetermined. The local police chief spoke in support of the project, noting the significant traffic and safety benefits it would provide.
 - *Action & Vote Disposition:* Discussion continued to a future meeting pending clarification of the exact financial contribution from the school.
- **00:06:04 Scheduling Change for October Meeting**
 - *Sponsor / Presenter:* Commission staff.
 - *Deliberation Summary:* Due to scheduling conflicts involving economic development prospect visits, staff requested moving the regular October meeting date to October 6th. The board offered no objections, and attorneys will handle the necessary advertising.
 - *Action & Vote Disposition:* Consensus to proceed without a formal motion.
- **00:07:26 VS Engineering Addendum: 23rd Street Trail Project**
 - *Sponsor / Presenter:* Commission staff / VS Engineering representatives.
 - *Deliberation Summary:* VS Engineering provided an addendum regarding bridge-crossing options for the 23rd Street trail project (located between OmniSource and the Snoozy Lou's truck facility). While a new sidewalk option was identified as the least expensive, staff noted that total estimated project costs have ballooned to approximately \$2.5 million per mile, which is deemed excessive. Commissioner King and staff recommended downsizing the project scope to run the trail only up to

Garkey Street (from Callum to Garkey) to manage costs. The project currently holds \$143,000 awarded by the state/RPO board to cover initial engineering and right-of-way work, prompting the recommendation to move forward with engineering under the reduced scope.

- *Action & Vote Disposition:* Consensus reached to direct VS Engineering to revise estimates and proceed with the shortened trail stretch to Garkey Street.
 - **00:10:33 Invoice Approvals**
 - *Sponsor / Presenter:* Commission staff.
 - *Deliberation Summary:* Review of general invoices, bond invoices, and the park and new TIF bond invoices.
 - *Action & Vote Disposition:* Approved by Voice Vote.
-

4. Open Public Comment / Citizen Forum

- *Note:* No general citizen comments or open floor public testimony were recorded during this portion of the transcript. (Input was limited to the presentation by the local police chief regarding the Daleville school traffic issue under the specific agenda item).
-

5. Administrative Updates & Adjournment

- **00:11:05 Staff / Board Announcements:**
 - Introduction of Danielle Struebel from Struebel Law, who will be assisting attorney John Brooke with county redevelopment commission legal matters due to a heavy workload.
 - Next meeting scheduled for October 6, 2022.
 - **Adjournment:** The transcript concludes following the legal counsel introduction without an explicit verbal timestamped adjournment call.
-
