5. Open Public Comment / Citizen Forum

(Note: No general public comments from citizens were recorded during the open public comment period near the end of the meeting. However, department heads and officials addressed the board during the department head report period).

- 00:07:16 **Department Head Report <U+2013> Deed Sale Property Issues:**
 - Officials reported an issue regarding 12 properties sold at a July deed sale in Chiltonville that lacked required court orders allowing the sale. Two properties involve the Muncie Land Bank and two involve ECI, leaving eight other parcels where buyers may have incurred expenses, clear-title search costs, or property improvements. The board and staff discussed working with the attorney's office to determine how to invalidate or address the sales and return funds.
 - 00:11:55 **Jim Floke, County IT:**
 - Presented a signature page for a previously signed server-to-server agreement.
 - Raised a policy question regarding the "Shield Force" product (Tyler Technologies software enabling police departments to run searches via mobile devices like iPads, droids, or iPhones). With other agencies (such as the Sheriff's office and small towns) coming forward to request it, Floke sought guidance on who should cover initial purchase costs and ongoing annual maintenance (\$2,000<U+2013>\$2,500/year). The board clarified that requesting agencies should be responsible for covering their own purchase and ongoing maintenance costs.
 - 00:14:43 **Kyle James, Deputy Director, Delaware County 911:**
 - Provided updates on recent 911 center training. The center hosted a two-day mental health and suicide intervention training course for dispatchers (funded by the Indiana Statewide 911 Board and hosted at Delaware County EMS facilities), drawing dispatchers from across the state (including Brown and DeKalb counties).
 - Commended evening shift supervisor Nate Ledbetter and Director Fred Cummings for completing the intensive Center Manager Certification Program (CMCP).
-
