-

4. Substantive Business & Board Action

- **00:14:17 Discussion on Investment Interest Allocation for Community Corrections and Drainage Board**
 - **Sponsor / Presenter:** Presented alongside input from John Christie (County Drainage Board), Jane Miranda (Community Corrections), and county financial staff.
 - **Deliberation Summary:** The board discussed a proposed policy change allowing specific county entities specifically Delaware County Community Corrections and the Delaware County Drainage Board to retain the interest earnings generated from their respective fund balances, rather than having all interest roll back into the county general fund.
 - *Drainage Board:* John Christie noted the board manages approximately 80 watersheds with a maintenance fund balance typically around \$1\$ million, collecting roughly \$16,000\$18,000 annually in interest (at a 3.62% rate via Trust Indiana). Retaining this interest would help fund additional de-brushing and reconstruction projects. Concerns were raised regarding long-term funding shortfalls and stagnant ditch assessment fees.
 - *Community Corrections:* Jane Miranda explained that the agency operates on user fees (\$670,000 across cash accounts, with \$300,000 approved for investment) and impending state DOC grant cuts. Retaining interest would help offset future budget gaps without requesting county tax appropriations.
 - *Administrative Impact:* Auditor and Treasurer staff confirmed that setting up sub-accounts and tracking lines within Trust Indiana and the county accounting system would involve initial setup work but would not be unduly burdensome on a monthly basis.
 - **Item-Specific Public Input:** 00:17:23 Rick Yencer spoke during public comment regarding these entities, noting that rural residents pay small drainage fees (around \$22/year) and that community corrections and courts already receive substantial funding compared to other counties.
 - **Action & Vote Disposition:** 00:48:10 A motion was made to amend the county's investment policy to add Section 12 ("Allocation of Interest Earnings for Certain Funds"), authorizing Community Corrections and the Drainage Board to retain their investment interest, referencing authorized investments under Section 9, and establishing administrative tracking procedures.
 - **Vote Disposition:** Passed by roll call vote (Commissioners Bran, Henry, Riggins, and Treasurer Polk voting "Yes").

5. Open Public Comment / Citizen Forum

- **00:37:23 Rick Yencer (Resident):** Addressed the board regarding the proposed interest allocation. Noted that rural residents often lack regulated drains and depend on neighbors' ponds, and observed that probation and community corrections are already well-funded compared to other jurisdictions.

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:** No future meeting dates or major administrative reports were announced, aside from procedural notes regarding updating the investment policy language and coordinating sub-lines between the Auditor and Treasurer offices.
- **Adjournment: 00:49:47** A motion to recess/adjourn was made and seconded.
 - **Action & Vote Disposition:** Approved by roll call vote (Commissioners Bryan, Riggan, and Treasurer Polk voting "Yes"). Meeting adjourned.
