4. Substantive Business & Board Action

- **00:08:11 Approval of Claims:**
 - **Sponsor / Presenter:** Financial/Accounting staff.

- **Deliberation Summary:** Review of account balances as of May 29, 2026 (\$420,000 cash operating balance; \$2,799,913.61 improvement fund balance; \$9,411 received from Daleville TIF transfer; \$18,755 from Indiana Bond Bank transfer; five CDs with \$300,000 each). Claims totaled \$260,125.54.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
 - **00:08:37 Final Invoice for Commonwealth Engineering (KMAC Project):**
 - **Sponsor / Presenter:** Thomas / Staff.
 - **Deliberation Summary:** Final invoice for monthly meetings, final inspection, and ending engineering for the inlining into MAC totaled \$19,888.42. Staff confirmed this final billing did not exceed the original not-to-exceed cap.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote.
 - **00:09:44 Glen Lift Station Replacement Pump Quote:**
 - **Sponsor / Presenter:** Jason / Staff.
 - **Deliberation Summary:** Reviewed quotes for a lift station replacement pump at the Glen lift station in Westbrook: Strafer at \$6,669 and BBC at \$6,450. Staff recommended the more expensive Strafer pump because it is a direct replacement for what is currently installed, whereas BBC is a different brand that would complicate installation.
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** Approved by Voice Vote (utilizing current budget cash on hand).
 - **00:10:41 Bank of New York Construction Accounts & Rorton Bond Account Closeouts:**
 - **Sponsor / Presenter:** Jason / Staff and Board Member Pete.
 - **Deliberation Summary:** Discussion regarding remaining balances in the Bank of New York construction account (\$5,867.31 plus interest) and the Rorton Indiana Bond Bank account (\$61,454.18 plus monthly interest). Debate centered on whether to refund the money back to the bond programs to pay down the principal/reduce rates for ratepayers, or retain funds for long-term capital projects (such as steel-edge frames on lift stations).
 - **Item-Specific Public Input:** None.
 - **Action & Vote Disposition:** **Tabled** until the next meeting to allow staff time to compile a list of eligible long-term capital expenditures and clarify bond return options. Approved by Voice Vote **00:17:11**.

5. Open Public Comment / Citizen Forum

- *No general public citizen comments were recorded during the open public comment period.* (Note: Aaron Hurley was formally introduced as the incoming board member replacing Pete, effective June 15th [00:40:34](#)).

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**
 - **Collections & Operations:** Jason reported disconnect list totals down from \$3,555.34 to \$1,895.61. Six new tap permits in Countryville Section T and one in Daleville (seven total new accounts). The system received 5.6 inches of rain in May, generating overtime and high water calls, but no overflow events. CD rollover strategy is being adjusted dynamically for best rates.
 - **Legal / MSD Update:** Danielle reported ongoing delays regarding MSD responses to addenda and arbitration deadlines. The board expressed frustration over mounting legal/arbitration costs impacting ratepayers. A delegation (including Ray, Joe, and Danielle) planned to attend the upcoming MSD board meeting on Wednesday, June 10th at 11:30 AM to request a spot on their agenda and force resolution. Watson's right-of-way/easement negotiations are continuing through attorneys.
 - **Communications Update:** Ashley reported website traffic is performing well (outperforming phone calls in Google Maps clicks), email unsubscribe reasons are minimal (mostly unspecified or "no longer interested"), and holiday closures for Juneteenth are being updated.
 - **Long-Term Planning Committee:** Reviewed draft long-term planning document distributed to board members for review and feedback ahead of the next meeting.
 - **SRF / Clean Water Project Ranking:** Thomas reported the Westville project was ranked 26th out of 115 clean water sewer projects on the state's draft priority list. While outside the immediate fundable range (top 10), staff noted many higher-ranked projects are not construction-ready, positioning the district well alongside potential grant funding from Senator Young's office appropriations.
- **Adjournment:** Approved by Voice Vote [00:41:09](#). Meeting adjourned.
