- **Sponsor / Presenter:** Angie (Farmhouse Creative / applicant).
- **Deliberation Summary:** The applicant requested \$250,000 in gap financing to assist in purchasing and localizing the Patterson Block building, aiming to keep it locally owned, retain current tenants, move Farmhouse Creative into the space, and reactivate the ballroom into an event space. - **Deliberation Summary:** Staff reported on an earlier site tour. Presses previously shipped to the facility had been sent back to Canada to be refitted for the new building addition and are anticipated back by the end of the month. The company relocated its entire sales team (4–5 employees) from Denver to Muncie to work out of the facility's nearly completed offices. Fire suppression is not yet installed, and the representative was absent despite prior confirmation.

00:20:00 Part One, Second Entrance & State Road 332 Update

- **Sponsor / Presenter:** Dean.
- **Deliberation Summary:** Provided updates on paving and clean-up following recent severe weather and flooding.
