 - **Deliberation Summary:** The district recently transitioned from an in-house FMLA leave policy to short-term disability. Because short-term disability offers a shorter leave period for new parents (6 to 8 weeks) compared to the previous 12 weeks, this resolution adds an option for new parents (via birth, adoption, or foster placement) to receive an additional two weeks of paid leave through the district, applicable to both mothers and fathers.

 - **Action & Vote Disposition:** Approved by Voice Vote [00:09:55](#).

 - **Sponsor / Presenter:** Rick Conrad, District Administrator.
 - **Deliberation Summary:** The resolution adds the title of "Sanitation Trainer" to the salary resolution. Rather than adding a new employee, this position will likely be a promotion for an experienced, qualified driver responsible for training new equipment operators to enhance safety, reduce workers' compensation injuries, and minimize minor property damage (such as hit mailboxes). The position carries a pay range of \$28.00 to \$32.00 per hour. Commissioners expressed strong support for formalizing the training process to improve safety and operational continuity.

Additionally, reminders were given that leaf season collection will strictly accept leaves in paper bags (no plastic bags) starting late October or early November. Neighborhood cleanups and the White River cleanup have concluded successfully.
