5. Open Public Comment / Citizen Forum

- **00:23:24 Jim Needham** (600 South Riviera Lane, Yorktown, Indiana):
 - Addressed the board regarding planned 2022 construction projects in Yorktown (bridge building and a roundabout at Nebo and River Road). He asked if the county could coordinate to separate the events or keep the bridge open as a one-lane bridge rather than enacting a full road closure.
 - *Board/Staff Response:* Marta Moody noted that both are federal-aid projects managed by state project managers (Angie Moyer for the bridge, Pete Olsen for the roundabout) designed for simultaneous bidding for volume cost-discounts. Current plans involve a full bridge closure and a 10-week intersection closure due to federal budget limitations (covering 80% of costs). Staff advised contacting the engineering director, Angie Moyer, to check consultant estimates for partial-closure alternatives.
-

6. Administrative Updates & Adjournment

- **Staff / Board Announcements:**

- Human Resources announced a schedule for free employee flu shots: tomorrow (8:30 AM <U+2013> 10:30 AM in HR, followed by the Justice Center) and next Tuesday (1:30 PM <U+2013> 3:30 PM at the highway department).

- **Adjournment:** The meeting was recessed/adjourned by motion and unanimous voice/roll call vote (Henry: Yes, Reagan: Yes, Kane: Yes).
